

Health & Safety

1. COVID-19 Health & Safety Procedures at Fudgeez

Since day one, when we opened our doors and created our Lip Lek Lekker Vetkoek, your health and safety have been our no. 1 priority. With current events, we've added extra precautions to keep you safe. From our delivery drivers to our cashiers, bakers and packers, everyone follows strict hygiene measures.

Whether you're in our Fudgeez Outlet or getting your Lip Lek lekker Vetkoek delivered, we're doing everything to ensure your health, safety, and peace of mind.

2. We Promise To Keep You Safe

- Staff wash and sanitise their hands for 20 seconds at least every 20 minutes
- All our staff wear masks as per the legislated requirements
- Specific training modules for staff have been launched, and staff have been trained practically in the workplace
- Every Fudgeez Outlet has educational best practice notices for our staff and drivers, in accordance with the World Health Organisation and the Department of Health's regulations
- Every staff member, including delivery drivers, are screened for symptoms as required
- We have implemented NO CONTACT systems, which ensure that our customers do not come in physical contact with our staff. This includes:
 - No Contact Takeaway
 - No Contact In-store Collect
 - No Contact Home Delivery by our Fudgeez Drivers
- For customers entering the Fudgeez Outlet, we have also implemented numerous safety measures including social distancing and hand sanitising as required.

3. How to Contact us

If you have any queries about this notice; you need further information about our privacy practices; wish to withdraw consent exercise preferences or access or correct your personal information, please contact us at the numbers/addresses listed on our website or at enquiries@fudgeez.co.za
